## PRESS RELEASE

TO: Our Ewing Township Community and Beyond!  
DATE: December 20, 2017  
RE: Holiday Safety – “Project Holiday”

The Prospect Heights Fire Co. endorses the National Fire Protection Association (NFPA) campaign “Project Holiday” that provides a wealth of safety information to help ensure the holiday season is a safe one. Festive celebrations, flickering lights and winter greens are hallmarks of the holiday season, but they also present fire risks that can quickly turn this festive time of year into a devastating one. NFPA’s “Project Holiday” campaign works to educate the public about potential fire risks during the holidays, offering tip sheets, videos, and other resources to help everyone safely enjoy the season.

For further information, we encourage you to visit these links below and share them with your family, friends and loved ones!

- [Christmas Tree Safety Tips](#)
- [Winter Holiday Fires by the Numbers](#)
- [Christmas Tree Fires Can Turn Devastating and Deadly Within Seconds \(video\)](#)

Additional fire prevention tips, particularly for this time of year, are found on the Prospect Heights Fire Co. website at our [fire safety downloads](#) page. This includes information on the dangers of carbon monoxide, electrical safety, home heating safety, winter storm safety and more.
